AN INNOVATIVE LUXURY VESSEL

Sometimes,
the best journeys
are the ones that make
you pause and appreciate
the moment.

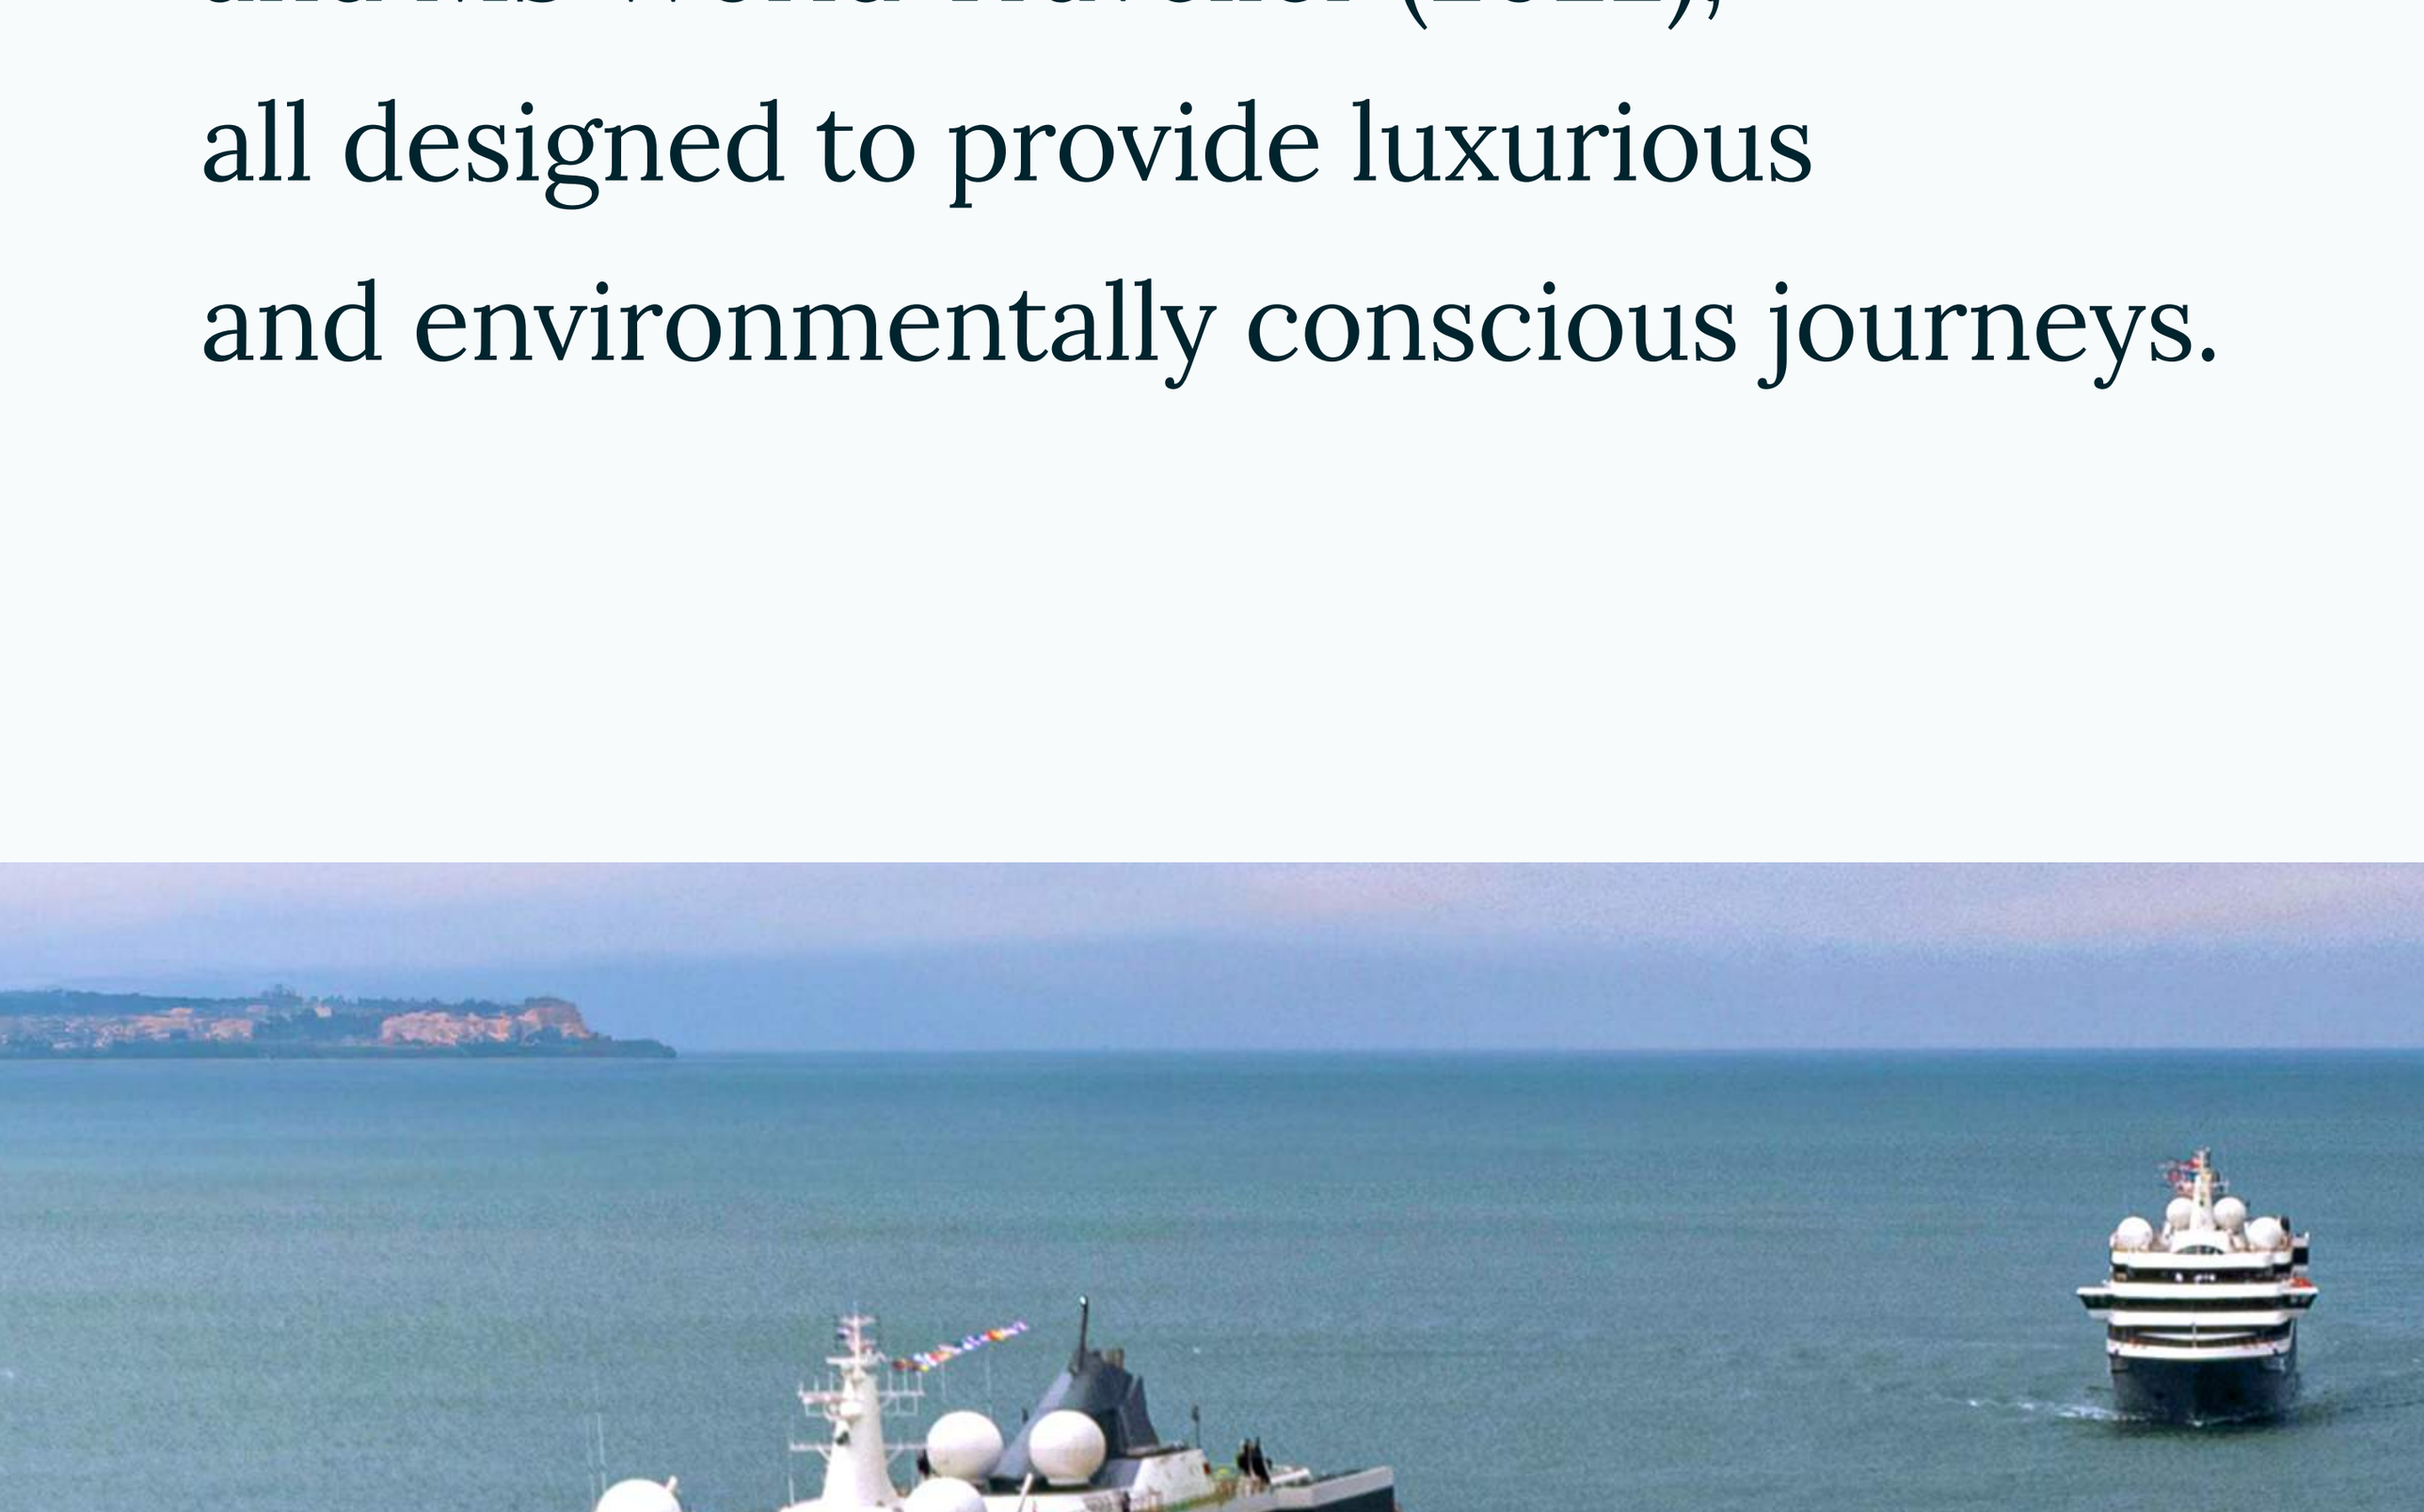
MYSTIC CRUISES

All about us

Mystic Cruises is a distinctive ocean cruise company within the luxury travel and tourism industry, part of the distinguished MysticInvest Holding. While we are a young and growing company, we benefit from the extensive experience of our parent group, which has been built over decades.

Our vessels are equipped with
state-of-the-art technology
to offer unmatched, eco-friendly,
and intimate experiences.

The MS World Explorer was our first
expedition vessel, launched in 2019,
followed by the MS World Voyager
(2020), MS World Navigator (2021),
and MS World Traveller (2022),
all designed to provide luxurious
and environmentally conscious journeys.



We emphasize the advantages of small-vessel expedition cruises, with a maximum capacity of 200 guests, allowing for personalized service and access to smaller, exclusive ports, all while minimizing our environmental impact and exploring extraordinary, lesser-known destinations.

Our focus is on creating immersive experiences that feature gourmet dining, luxurious accommodations, and tailored service to ensure each journey is unique and memorable. We offer comfortable and sustainable travel to some of the world's most breathtaking locations, including Antarctica, the Arctic, Northern Europe, and the Mediterranean, all delivered with five-star service.

EXCLUSIVE TEAM

All about our guests

With a maximum capacity of 200 guests
and a crew of 130, we ensure
a highly personalised service with
an almost 1:1 guest-to-staff ratio,
to travellers seeking to dive deeper
into remote and rare destinations
in the Arctic and Antarctica,
as well as more sought-after
destinations in Northern Europe,
the Mediterranean, and the Americas.

In addition to assuring plenty of space to rest and splurge, aboard World Explorer our guests find an intimate environment that's ideal for private gatherings, personal and professional celebrations, motivating teams, rewarding top performing employees, and more.

With our charters and incentive group programs, they can discover remote and iconic destinations while taking and invigorating expedition with chosen companions.

SUSTAINABILITY

All about green

At Mystic Cruises, we are keenly aware of the world's fragile ecosystem. We aim to constantly reduce our environmental footprint and embed good environmental practices into all our corporate and individual actions. Featuring the most advanced waste management system in the cruise industry, World Explorer is significantly impacting the environment and paving the way for a greener and more eco-friendly way to cruise.

She is equipped with an environmentally friendly and most advanced propulsion systems. The new diesel-electric hybrid drive permits exceptionally environmentally friendly manoeuvring enabling the vessel to retain her position using electric technology, avoiding the need to drop anchor, which also prevents potential damage on the seabed. Her propulsion system includes two innovative hydro pump jets that allow her to almost run silently, minimizing the noise impact on marine fauna. The vessel runs on Marine Gas Oil (MGO), the levels of emissions of particulate matter from MGO combustion are significantly lower because is a low-sulphur fuel oil, compared with the conventional heavy fuels used by most ocean-going vessels.

Our vessels have been conceived with the sensibilities of an explorer, one who believes the world is best experienced up close, while still leaving the destination untouched.

INNOVATIVE WORLD EXPLORER

The World Explorer is a modern, eco-friendly cruise vessel that offers a spacious and welcoming atmosphere. Her contemporary, elegant décor ensures a truly luxurious cruising experience. Built in the Viana do Castelo shipyards in Portugal, the World Explorer proudly flies the Portuguese flag, continuing the nation's rich shipbuilding heritage and legacy of exploration. Her cutting-edge technology ensures safe navigation, even in the planet's most extreme regions, such as the farthest reaches of the Arctic. With a small capacity of just 200 guests, the vessel can access remote ports and craft unique itineraries to extraordinary locations. She is a perfect blend of maritime innovation and the spirit of adventure.

DESIGN SIGNATURE

World Explorer interior was designed by Artur Miranda and Jacques Bec, the artful eyes of renowned French-Portuguese design duo Oitoemponto. With an impressive portfolio that includes multiple features in Architectural Digest for their many designs, their signature style exudes classic refinement with cosmopolitan sensibilities, creating a marriage of modern and vintage that leaves every space they design feeling like every guest's own personal haven.

PUBLIC AREAS

A perfect blend of elegance and ease

Distinct and comfortable, refined and roomy—these attributes and more describe World Explorer. In this vessel modern design blends seamlessly with elegance and comfort. Her sleek, minimalist exterior pairs perfectly with the warm tones of her interior. The vessel offers various spaces for relaxation, socializing, and observation, fostering a sense of calm and reflection. With advanced technical features, she ensures safe and comfortable navigation through the world's most remote regions, as well as smooth coastal cruises and long ocean voyages. Her intimate size, charm, and contemporary style reflect a spirit of understated refinement and genuine connection.

CHEERS TO YOU

The Explorer Lounge

Amidst stylish décor and a calm ambiance, enjoy the stunning views through the panoramic windows. Settle in comfortably with a book in one hand and a drink in the other, be it a Brazilian caipirinha or a classic Manhattan. This inviting space makes it easy for our guests to connect and chat with fellow travelers.

270-DEGREE VIEWS

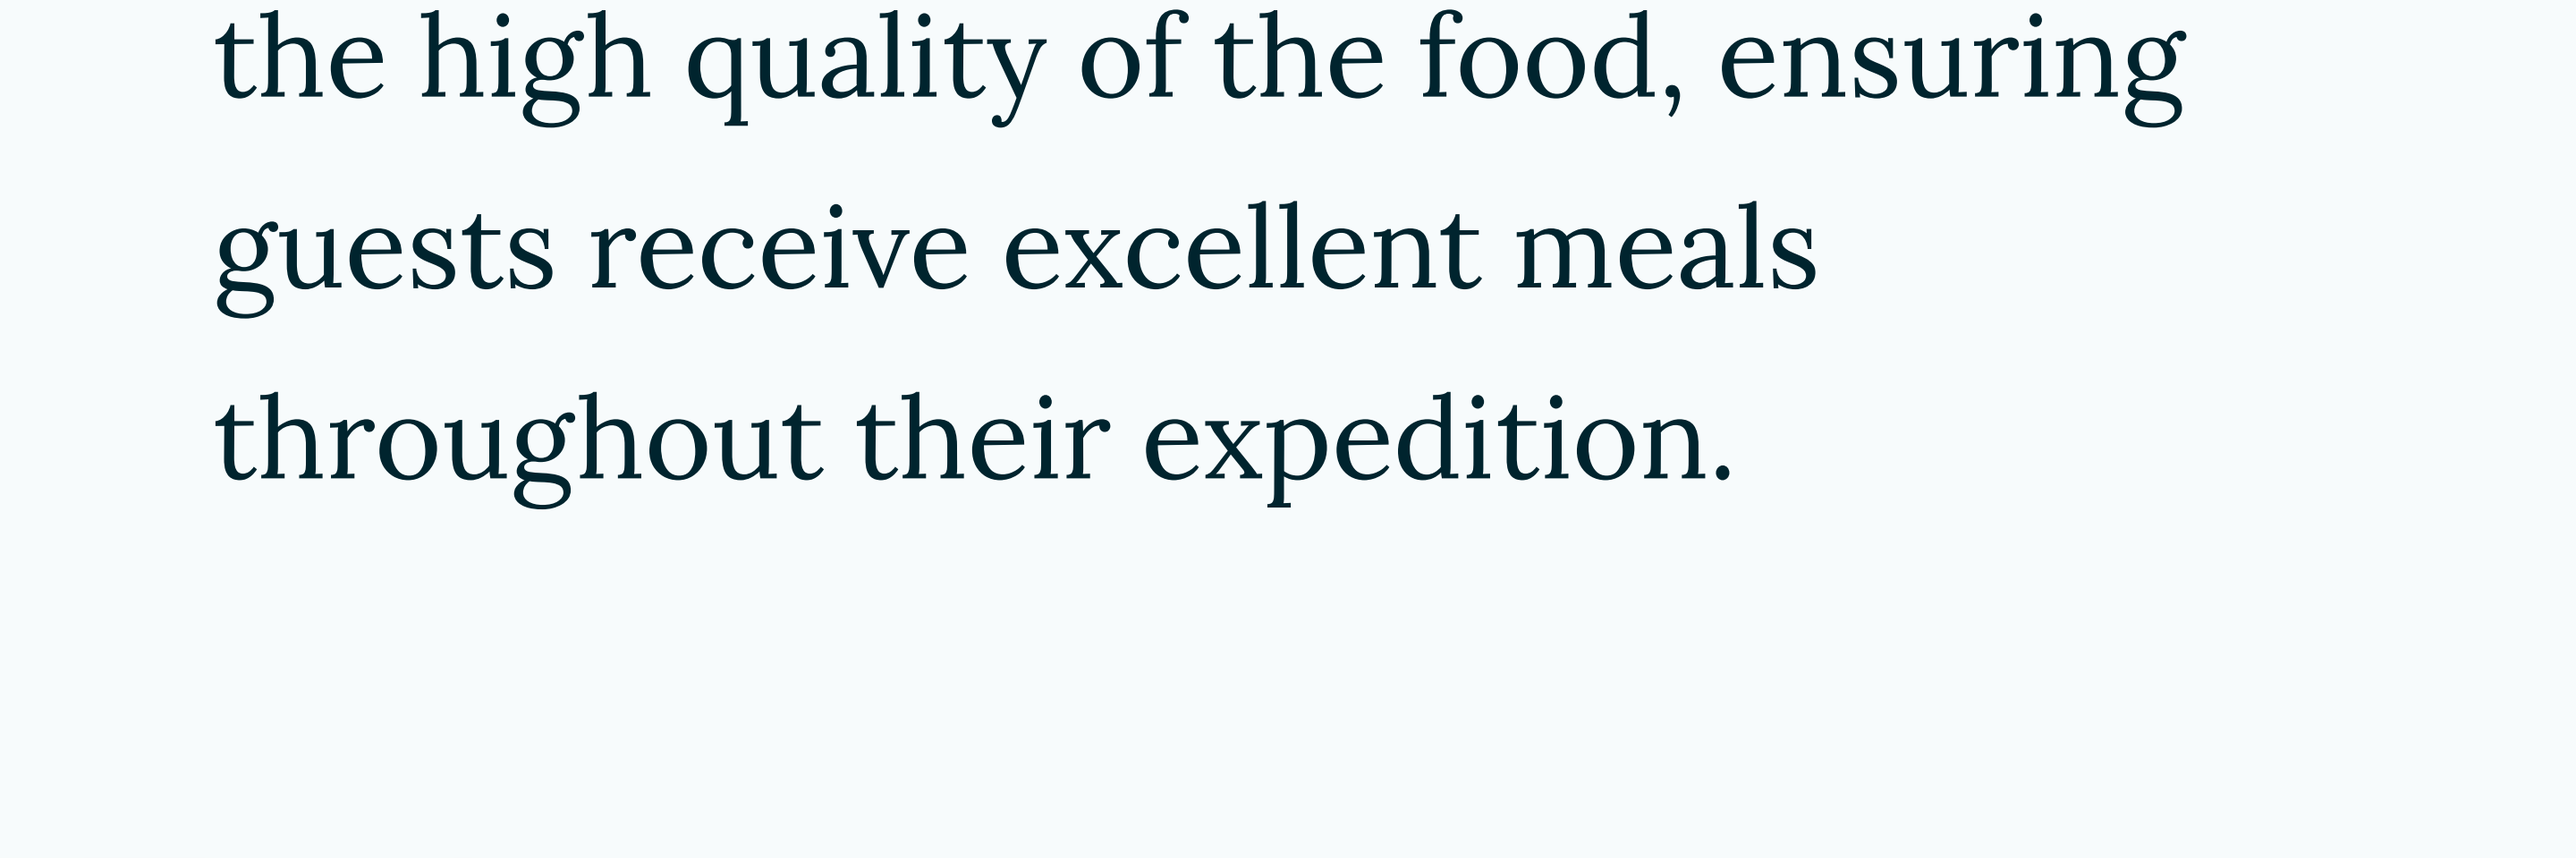
The Observation Lounge

At the Observation Lounge, our guests are captivated by the endless horizon at sunset. They choose from a delicious array of snacks, teas, or craft beers, while delighting in 270-degree views from their bucket list.

EVERY BITE TELLS A STORY

Your Restaurant

One thing you can always count on at sea is enjoying delicious meals every day. Although mealtimes might shift due to landings or wildlife sightings, you'll still be served three meals daily. Our chefs work in a small kitchen, allowing them to closely oversee and maintain the high quality of the food, ensuring guests receive excellent meals throughout their expedition.



OPEN HORIZON

Bar & Wine Service

The vessel's well-stocked bar is open for guests to relax and socialize with their fellow travelers in the late morning, afternoon, and evening. Whether sipping a glass of wine or enjoying a post-dinner coffee, guests can watch the port fade into the distance and the vast horizon unfold as they embark on their adventure.

PAMPER YOURSELF
