MYSTIC CRUISES

All about us

Mystic Cruises is a distinctive ocean cruise company within the luxury travel and tourism industry, part of the distinguished MysticInvest Holding. While we are a young and growing company, we benefit from the extensive experience of our parent group, which has been built over decades.

PUBLIC AREAS
A hint of sophistication
and style

The design theme in the public spaces is distinctly and appropriately nautical, featuring a timeless Italian aesthetic inspired by La Dolce Vita (the sweet life) of cruising aboard a luxurious private yacht. Antique photos of sailing vessels and ocean liners decorated the stairwells. The carpet patterns throughout also recalled a sailing heritage, with designs resembling naval pennants and masthead flags. The vessel's décor is warm and inviting with a hint of sophistication and style.
